Rational Numbers Study Guide

This worksheet can be used as a review or study guide to get ready for a unit assessment on rational numbers. It is aligned with standards in Grade 6, Unit 7 of Open Up Resources, and the questions are written in the style used by this curriculum, with real-world story problems and both multiple-choice and open-ended answers.

Key with explanations (not just answers) is included! I assign the review in class, then post the key online the night before the test so students can use it to study.
