## Service Manual Candy Dishwasher:

**Reef Dance** John Decure,2007-04-01 There is a certain poise that comes with understanding the ocean s moods tapping a pulse borne of a distinct untamed unfathomable energy source An equilibrium located on a singular track between the sucking trough and the pitching crest A sense of perfect balance on a rolling temporary stage not a single movement wasted A spray blinded late takeoff in roaring Santa Ana winds A confidence knowing your instincts won t let you down Thirteen years ago J Shepard s mother rose before dawn packed a bag and walked out of his life forever Since then the rolling surf has been his only escape a refuge from the daily stress of his job defending parents in the overburdened L A juvenile dependency court and from the dark unanswered questions of his past When J is assigned a high profile case one in which a mother is accused of selling her child to the highest bidder even a day in the surf won t let him escape J can t hide from the media attention that the case draws and nor can he hide from the painful memories of his own desertion that the case congers He realizes that if he does not confront the mystery of his own past he will always be stuck in equilibrium unable to move against his emotional and physical tide He will be stuck in the darkest spot in the ocean the reef dance J simultaneously throws himself into the case and search for the reasons behind his own mother s disappearance In order to succeed in both areas however he must rely on an old friend Jackie Pace a wayward surfing legend with a sordid past that no one believes is reliable But J needs his friends help and Jackie must rise to the challenge not just because he is J s friend but because he is much more intimately linked to the mystery than J could ever know Reef Dance will suck you into the surfer s pacific pulling you deep within it s mystery and the turmoil of one man s soul
