Key Of Valour Nora Roberts,2010-10-07 Do you believe in magic When Zoe McCourt was sixteen she had been dazzled by the handsome and wealthy James Marshall He had taken her innocence and left her to bring up their child alone Now after ten years of struggle Zoe s life is finally coming together Her son Simon is her pride and joy and she is about to venture into business with her new found friends Malory and Dana There is even a hint of romance on the horizon in the very sexy form of Bradley Charles Vane IV a man whose wealth and good looks make Zoe a little wary but seriously tempted to throw

caution to the wind But before she can embrace her future she has a challenge to face For Malory Dana and Zoe have been chosen to undergo a quest to free the souls of three demi goddesses trapped by an ancient evil It is a challenge that promises great riches but also grave danger And of all of them Zoe has the most to lose Three women Three keys to find If one fails they all lose If they all succeed money power and a new destiny awaits It will take more than intellect more than determination They will have to open their hearts their minds and believe that everything and anything is possible

The English Emblem Tradition Alan R. Young,1988-01-01 This volume of the Index Emblematicus deals with three early seventeenth century works Remaines of a Greater Worke Concerning Britaine by William Camden The Mirrour of Maiestie by H G and Otto van Veen s Amorum Emblemata Camden s Remaines is noteworthy for using imprese in language as pictorial image for mixing imprese with cognizance and for considering impresa itself as the identity of the individual rather than as a general principle H G s Mirrour is remarkable in that every one of its emblems consists of a personal heraldic coat of arms of an identified statesman twinned with a pictorial engraving motto and epigram on an opposite page Van Veen s Emblemata enters literary history as a volume of emblem pictures consecrated to secular love experience encapsulating some of the conventions of the sonnet sequences and having a strong influence on religious love literature Each book is reproduced with critical and bibliographic introductions translation of the poems and mottos descriptions of the emblems and indices to the visual and verbal components of the works
