God enact all blessedness and actualize God s own abundantly enriched life And how might such a reality be relevant to human well being Addressing these questions in Triune Well Being The Kenotic Enrichment of the Eternal Trinity Jacqueline Service traces the dynamics of Divine well being through Scripture Christian metaphysics and a synthesis of Orthodox Bulgakov Catholic Von Balthasar and Protestant Pannenberg Trinitarian theologies to argue that God s all blessed life the glory of well being is symbiotic with triune self giving kenosis a concept identified as kenotic enrichment or enriching kenosis Such a trinitarian exploration not only offers a fresh perspective on the contested topic of kenosis but goes to the heart of a doctrine of God that implicates the possibility of the well being of all life *The Best Books: Class A, Theology.
