Be Holy Brian Christopher Coulter,2014-12-30 What does it really mean to be holy These two little words seem to echo throughout scripture 1st Peter quotes Leviticus when we read God s command You shall be holy for I am holy Again in Ephesians when we read that God chose us in Christ before the foundation of the world to be holy And in the last chapter of the last book of the Bible we read that we are to still be holy Our calling to be holy is a challenging one but living the normal alternative often leads to frustration disappointment and empty overindulgence This invitation to be holy challenges us to live our lives set apart not because God needs us to but because it is a better way for us to experience and live life Brian Christopher Coulter shows us what it means to be holy in today s world and how living into this calling helps us discover and develop our sense of identity belonging and purpose Prepare to be changed and begin living the life God meant for you

Presbyterian in a Dysvangelical America Ted V. Foote Jr.,P. Alex Thornburg,2025-10-28 Dysvangelical names a theology that is distorted dysfunctional and dystopian twisting the good news of God s grace into a message of fear partisanship and exclusion In *Being Presbyterian in a Dysvangelical America* Ted V Foote Jr and P Alex Thornburg speak directly to Presbyterians who are disillusioned and confused by how Christianity is being misused in American culture So often our beliefs as faithful Christians do not line up with the shouted chants and disturbing actions taken by those claiming to represent a true vision of Christianity Twenty five years after their best selling book *Being Presbyterian in the Bible Belt* the authors return with fresh urgency to affirm the heart of Reformed theology and what it means to be truly evangelical in a

time of theological and cultural distortion With clarity compassion and a touch of humor Being Presbyterian in a Dysvangelical America equips readers to name what feels wrong rediscover what is right and live into a gospel that is still good news for all It is impossible to ignore the many loud voices who claim to speak for God with the absolute certainty and divisive rhetoric that has become the playbook for Christian nationalism To help readers counter this overwhelming narrative Foote and Thornburg provide an accessible faithful alternative rooted in the core Presbyterian convictions of grace community humility and ongoing reform This is the message to speak loudly in our time not one of fear and exclusion but a living evolving faith that proclaims the wide welcome of God s grace Ideal for individual or group study the book includes an eight session study guide that provides focus Scriptures questions for discussion and prayers

On Holy Ground Keith R. Anderson, 2025-06-24 There is a universal human need to understand our identity and find belonging and sacred purpose in the most daily moments of our lives When we know our identity as the beloved of God our lives take on practices that are urgently needed in our divisive culture today starting with compassion hospitality and discourse and joining a movement to boldly proclaim Abbas love Sacred purpose involves everything we do on holy ground which is where God walks with us before us and alongside us in time and place As we enter the fray we find ways to live as people of justice grace and conviction seeking the kingdom of God as our priority as we address those issues that are so charged and divisive today race inclusion exclusion individualism and trauma Within the image of an ecosystem we understand that Scripture the living word points us to Jesus the Incarnate Word who calls us to sacred purpose a living relationship of following Jesus at our own altars in the world for all of our lives

Collective Search for

Identity Orrin Edgar Klapp,1969 From the Preface This book is about identity seeking movements of modern society It deals with such things as fashions fads poses ritual cultic movements recreation heroes and celebrities and crusades from the point of view of what they tell about the identity search of a mass society My view briefly is that a collective identity search is symptomatic of the fact that some modern social systems deprive people of psychological payoffs the lack of which expressed by terms such as alienation meaninglessness identity problem motivates a mass groping for activities and symbols with which to restore or find new identity People grope because they do not really know what is wrong especially when there is physical prosperity yet a sense of being cheated When mass movements become concerned with identity they develop certain characteristics such as ego screaming concern with costume and self ornamentation style rebellion concern with emotional gestures rather than practical effects adulation of heroes cultism and the like with which I shall deal Such signs show that ordinary economic and political solutions are not what is wanted People feel the futility and irrelevance of such measures yet do not know quite what else to do
