20 29 God isn't merely a distant figure. He's intimately involved in every detail of your life, yearning for a deep connection with you through the wonderful works of His divine Holy Spirit. Are you ready to set aside your worldly distractions and tune into His spirit? As Jesus said, "He that hath ears to hear, let him hear" (Matthew 11:15). *I Was Born to Destroy Hell* by Tim Ehmann, 2018-10-30. *I Was Born to Destroy Hell* is the second book of Tim Ehmann. Like his first book, *I Met God in Hell*, Tim Ehmann gives us an even more brilliant description of Heaven, focusing on new revelation and on the ancient truths of Jesus. This book gives a more accurate detail on the appearance of Jesus and all of heaven, but most important, the heart of God. A continuing theme with his first book, Tim's message is of a true love affair with the Lord Jesus, which of course is our salvation. Tim devotes several chapters of the new book, *I Was Born to Destroy Hell*, to uncommon miracles and the 3rd Great Awakening. When Jesus appeared to Tim and saved him at the very gate of hell on September 1, 2000, the last words of that 8-hour conversation were, "Timmy, I saved you. Now you go and save my children." So needless to say, there are many new and thorough descriptions of heaven and of course, hell, which has been on the heart of Tim Ehmann to release to the world. This ministry is a miracle ministry; it started with this miracle, and we have seen a miracle ever since. There is also a couple of chapters on the Christian music market and a rare insight on the entertainment industry. This book is a great revelation for the saved and the unsaved, for the mature in the Lord and for a brand new convert. The graphic descriptions of the horrors of hell and what Tim Ehmann saw is well worth the price itself, but what I like the most is the accurate descriptions of Jesus ever written and the spiritual laws of heaven. There are several chapters devoted to teaching on the gifts, on the faith walk, and of course, the most important subject, salvation. Without that, nothing else matters. Jesus said, "I am the Way, the Truth, and the Life; no man comes to the Father but through me." Without this basic truth, there is no salvation. This book shows you the outrageous and out-of-control Love of Jesus for each and every one of us. It's the love of God that brings us to salvation, and this book shows you in how many different ways JESUS speaks to us and shows us the way back home to heaven. Realize through your own life how many times God performed miracles to get your attention. Know the day of your salvation. Come and join us in Heaven. Tim Ehmann Website: www.TimEhmannProductions.com **Real Estate Record and Builders' Guide**, 1896 **Forthcoming Books** Rose Army, 1998 **Hell** Timothy Pitts, 2022-08-01. Most Christians have at one time or another wondered what heaven will really be like. But what about hell? Have you ever wondered what the place prepared for the devil and his followers will be like? Do the countless cartoon drawings we've all seen accurately portray what hell is really like? Or has the humorous content of those cartoons confused us as to what it is really like and subtly removed our revulsion for such an awful place? Most of us would rather not think about hell, but if it was important enough for Jesus to discuss, then maybe we should take another look at this unpleasant topic. A clear understanding of hell can and should be a powerful motivator for obedience to Jesus' final command to go and make disciples and thus play a part in saving as many as possible from an eternity separated from God. In his book *Hell: Shedding Light on a Dark Place*, author Timothy Pitts uses a laid-back

easy to read style to provide a biblical look at what hell will be like You ll discover that the main thing about hell while a truth that is a simple no brainer has far reaching implications As you read ask God to change your heart and to give you a greater compassion for those who are rushing through life towards such an awful fate

Erasing Hell Francis Chan, Preston M. Sprinkle, 2011-07-01 How could a loving God send people to hell Will people have a chance after they die to believe in Jesus and go to heaven With a humble respect for God s Word Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny They ve asked the same questions Like you sometimes they just don t want to believe in hell But as they write We cannot afford to be wrong on this issue This is not a book about who is saying what It s a book about what God says It s not a book about impersonal theological issues It s a book about people who God loves It s not a book about arguments doctrine or being right It s a book about the character of God Erasing Hell will immerse you in the truth of Scripture as together with the authors you find not only the truth but the courage to live it out

All You Want to Know About Hell Steve Gregg, 2013-11-12 All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place It is an undeniable fact that the very concept of hell is shrouded in mystery We know what books and movies tell us hell is like but we re left with so many questions Is hell simply a place where sinners are sent to suffer for their sins or is it more than that How could a loving God send anyone to hell Does the Bible give us a clear and consistent picture of hell What does the existence of hell tell us about God s character Steve Gregg author of Revelation Four Views will take you on a tour of the three most popular views on hell and walk you through a clear explanation of what Scripture really says From the traditional view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance no other book gives such in depth biblical insight into the truths about hell that are hidden in all the hype All You Want to Know About Hell is an accessible and interesting read for laypeople pastors and scholars alike

Where the Hell Is God? Richard Leonard, S.J., 2014-05-14 Combines professional insights along with the author s own experience and insights to speculate on how believers can make sense of their Christian faith when confronted with tragedy and suffering

Is Hell for Real or Does Everyone Go To Heaven? Zondervan, 2011-08-02 Both outside and inside of the church many people today are increasingly uncomfortable with hell They wonder How could it be fair to punish anyone for eternity Will Jesus really condemn millions simply for not believing the right things about him Isn t God a God of love not vengeance The top notch contributors to Is Hell for Real or Does Everyone Go to Heaven tackle these and other questions with an even handed survey of the Bible s teaching on this difficult subject Together they present a careful case for upholding hell showing that it remains central to a right understanding of God the gospel humanity and God s purposes for the world Useful for group discussion or individual study Is Hell for Real or Does Everyone Go to Heaven provides an accessible introduction to the historic Christian doctrine of hell

The Most Encouraging Book on Hell Ever Thor Ramsey, 2014 It s become a modern question because of the

traditional doctrine How can God be both loving and wrathful In *The Most Encouraging Book on Hell Ever* Thor Ramsey an author pastor and comedian but don't let that fool you tackles this question by probing deeper Avoiding the caricatures of God as either a Frankenstein out to crush you or a Santa Claus ready to grant your every wish as long as you've been really really good he asks What changes about God if this traditional understanding of the doctrine of hell changes As it turns out everything changes If you think a God without hell is more loving this book will surprise you While many believe that by eliminating hell they're getting a new and improved God this new thinking is more troubling than the old doctrine itself The new doctrine of hell being sold today is only good news at the most superficial level leaving us with a wrathless God who tolerates evils that make even the average atheist cringe What if hell itself is good news about God What if hell highlights everything we find glorious about God What if the loss of hell leaves the world with a smaller God Discover why the church needs a new and different breed of hellfire and brimstone preacher in the pulpit today If you can't imagine how the doctrine of hell could ever make you say Praise God this book often funny but deadly serious lays out the biblical vision

Shades of Sin William Hofer, 2021-03-05 Traditionalists postulate an all loving all powerful God who has revealed Himself in His inspired inerrant Word Since His Word speaks of hell questions about hell in the final analysis are not philosophical but hermeneutical Bible interpretation properly done provides ready answers for such life and death debates We should not practice eisegesis reading into the text what our philosophical penchant may be but exegesis getting out of the biblical text what the original author put in Understanding the following elements will allay any fears of God being unjust when consigning unrepentant sinners to hell 1 the duration of life 2 the definition of death 3 the description of hell Non traditionalists claim God is neither just nor loving if He tortures everyone in hell forever regardless of the life they lived They are offended by such an idea and believe God is too Rather than jettison the doctrine of eternal punishment at the expense of biblical fidelity the author inserts into the debate an idea that undergirds God's justice while maintaining the traditional doctrine of hell Hofer rejects the notion victims at Auschwitz suffer the same fate as the madman who dispatched them there That is offensive to God

Sinners in the Presence of a Loving God R. Zachary Manis, 2019 In *Sinners in the Presence of a Loving God* R Zachary Manis examines in detail the several facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed

Is Hell Eternal Charles Hamilton Pridgeon, 1920

Dare We Hope Hans Urs von Balthasar, 1988-01-01 Includes criticism and interpretation of the views of the New Testament Origen Augustine Thomas Aquinas and Maurice Blondel on Hell salvation and damnation

Heaven Hell Tim Thomas, 2012 The goal of this book is very simple to awaken the complacent to the terrors associated with eternal damnation When it comes to the topic of Heaven and Hell there are no shades of gray It's either white or black By not making a conscious decision to accept Jesus Christ as one's personal Lord and Savior by default one has accepted an eternal death sentence The book attempts to make the case for Jesus Christ in simple

but compelling terms God fully intends for us to enjoy our short earthly existence but it s imperative that we have a clear sense of priorities Knowing that your eternal destiny is secure should be the highest priority of every human being *Hell in a Nutshell* Charles Watson,2016-10-04 Is a doctrine of everlasting punishment in hell consistent with God s perfect love and perfect justice And what implications does this traditional doctrine carry for the nature of divine grace and mercy In *Hell in a Nutshell* Charles Watson Sr argues that we should not allow a received doctrine such as the doctrine of hell to determine our understanding of God s justice love and mercy instead we should allow a biblically informed understanding of these divine attributes to shape our understanding of every received doctrine including the doctrine of hell **The Problem of Hell** Mr Joel Buenting,2013-06-28 How can a perfectly good God justifiably damn anyone to hell This is one version of the problem of hell The problem of hell has become one of the most widely discussed topics in contemporary philosophy of religion This anthology brings together contributions by contemporary philosophers whose work shapes the current debate Hell and the Mercy of God Adrian J. Reimers,2017 If God is truly merciful and loving perfect in goodness how can he consign human beings created in his own image to eternal torment in hell God s goodness seems incompatible with inflicting horrible evil upon those who oppose his will and defy his law If to this paradox we add the metaphysical requirement that God be perfect in goodness the eternal evil of hell seems to be contradictory to God s own nature Catholic philosopher Adrian Reimers takes on these challenges in *Hell and the Mercy of God* drawing on relevant sources from Aristotle to Aquinas from Dante to Tolkien from Wagner to John Paul II along with Billie Holliday *The Godfather* and the music of George Gershwin He presents a philosophical theology grounded in Scripture of the nature of goodness and evil exploring various types of pain the seven capital sins the resurrection of the body the meaning of mammon the core meaning of idolatry the psychology of Satan and those who choose his path and the moral responsibility of the human person Catholic philosopher Adrian Reimers takes on these challenges in *Hell and the Mercy of God* drawing on relevant sources from Aristotle to Aquinas from Dante to Tolkien from Wagner to John Paul II along with Billie Holliday *The Godfather* and the music of George Gershwin He presents a philosophical theology grounded in Scripture of the nature of goodness and evil exploring various types of pain the seven capital sins the resurrection of the body the meaning of mammon the core meaning of idolatry the psychology of Satan and those who choose his path and the moral responsibility of the human person Provided by publisher
