The Cosmopolitan Interior Judy Neiswander,2008 Judy Neiswander explains that during these years liberal values individuality cosmopolitanism scientific rationalism the progressive role of the elite and the emancipation of women informed advice about the desirable appearance of the home In the period preceding the First World War these values changed dramatically advice on decoration became more nationalistic in tone and a new goal was set for the interior to raise the British child by the British hearth Neiswander traces this evolving discourse within the context of current writing on interior decoration writing that it is much more detached from social and political issues of the day **BOOK JACKET**

American Political Ideologies Brian R. Farmer,2006-04-03 For many people the world of politics is defined by ideologies The average voter rarely takes time to research a policy issue thoroughly relying instead on a set of beliefs set forth by his or her chosen political organization to make important decisions These publicly promoted ideologies play an important role in international as well as domestic political development yet many adherents to a particular belief may have a poor understanding of competing ideologies From right wing to the far left this text dissects eight prominent political ideologies traditional conservatism classic liberalism libertarianism conservative extremism contemporary liberalism communism dependency theory and Islamism In plain terms it describes the basic doctrine and inherent contradictions of each creed along with its particular relevance to today's political landscape An in depth discussion of the political socialization processes that form and perpetuate ideologies is also included Instructors considering this book for use in a course may request an examination copy here

Books in Print ,1991 **Emotion in Group Decision and Negotiation** Bilyana Martinovsky,2015-07-01 The volume offers an exploration of methods for analysis of emotion in negotiation such as cognitive modeling discourse analysis all testing subsequent multidimensional scaling impression rating and graph modeling for conflict resolution reasonable and unreasonable disagreement It covers activities such as business negotiation conflict solving bargaining task management meetings discussions and elaborates on different kinds of emotions Some emotions stimulate negotiation e g empathy others hinder it e g disgust However all emotions open a door to uncertainty in relations and negotiation which in turn provides an opportunity The volume views language in negotiation not only as a vehicle for transmission of thought but also as a manifestation of emotion and the ethical **Reconsidering Habermas's Colonization Thesis** Roderick

Condon,2025-03-31 This book reconsiders Habermas's critique of capitalism as a foundation for a critical theory of neoliberalism Taking criticisms into account the author refines and redevelops Habermas's system lifeworld paradigm in three parts focusing on system lifeworld and communication The exposition unfolds through a new synthesis and convergence from within Habermas's frame of Axel Honneth Niklas Luhmann Talcott Parsons and Karl Marx This synthesis is

interwoven with an account of the neoliberal turn such that social theory is historically contextualized and neoliberalism theoretically explained at one and the same time The end result is a reconstruction of the colonization thesis in a new theory of relinguistification advancing a communicative dialectical and reflexive theory of reification Reconsidering Habermas s Colonization Thesis will appeal to scholars of critical theory social theory sociology and cultural studies as well as readers interested in neoliberalism and the critique of capitalism

Ideology Michael Freeden,2003-06-26 Ideology is one of the most controversial terms in the political vocabulary exciting both revulsion and inspiration This book examines the reasons for those views and explains why ideologies deserve respect as a major form of political thinking It investigates the centrality of ideology both as a political phenomenon and as an organizing framework of political thought and action It explores the changing understandings of ideology as a concept and the arguments of the main ideologies By employing the latest insights from a range of disciplines the reader is introduced to the vitality and force of a crucial resource at the disposal of societies through which sense and purpose is assigned to the political world
