The Covenantal Kingdom Ralph Smith, 1996 *God's Plan for the Ages, 2nd Edition* David Reagan, 2020-08-02

What is the destiny of planet earth? What is going to be the fate of mankind? We don't have to guess. The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago. In this book, Dr. David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times. In the process, he reveals God's plan for the redemption of mankind and the restoration of the creation. The book is written in a down-to-earth, easy-to-understand style. Although all the chapters relate to the overall theme, each chapter is designed to stand alone. This makes it possible for you either to read the book straight through or to skip around, reading only those chapters whose topics appeal to you.

New Testament Survey Robert G. Gromacki, 2008-08-01. Before coming to grips with an individual verse or passage in the New Testament Bible, students and expositors must understand how it relates to the theme of the book. This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse-by-verse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which has served students well for many years, is now available in paperback.

HEAVEN Michael G. Maness, 2004-12-01. In heaven, we shall know everlasting rest and the full measure of our inheritance. Though no eye has seen what God has prepared for us from Revelation 21-22, we can understand a little of what heaven will feel like. We shall know a new freedom, economy, purity, peace, and so much more. Those will be the simple experiences. The greater experiences will be in everlasting love, most especially in an everlasting marriage and an enduring intimate community. Likewise, we shall know a growing and everlasting security within our grand heritage within God's promises and in the work of Christ. Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience. The greatest experience of all will be that for the rest of our everlasting lives, we will share in the very life and glory of our dynamic and loving God, our loving Father and Abba. The greatest experience in heaven will be the very life and light that we share with God Himself, so very personal and loving to the uttermost.

Revelation Visualized Gary G. Cohen, 1981 **Prophecies and Lessons in Daniel** Robert Page, 2019-09-03. Daniel was a captive in Babylon. He served secular kings and, by the power of God, interpreted their dreams and visions, some of which revealed Israel's future. Daniel spent his entire life desiring to know what would happen to his people, the children of Israel. In response to his quest, God revealed much to Daniel through dreams and visions of his own. *Prophecies and Lessons in Daniel* is a verse-by-verse commentary on the prophetic book of Daniel, produced by the Lord's guidance during many years.

of prayerful study and developed from sermons and Bible lessons conducted no less than three times at Victory Baptist Church It includes historical context and secular history identified to show prophecies in Daniel that have already been fulfilled It also compares the prophecies in Daniel with relevant passages in both the Old and New Testaments including the Revelation of Jesus Christ
