Realizing Genjokoan The Key To Dogen's Shobogenzo:

Realizing Genjokoan Shohaku Okumura, 2010-07-06 A clear and concise commentary on one of Dogen's most difficult pieces Brad Warner author of Hardcore Zen Book Jacket

Dogen's Shobogenzo Zuimonki Eihei Dogen, 2022-06-14 This text consists of Master Dogen's own words albeit through the filter of his Dharma successor Koun Ej who wrote down the spoken words of his teacher The title of the text Shōbōgenzō Zuimonki can be translated as True Dharma Eye Treasury Record of Things Heard It also distinct from Dogen's magnum opus called just Shōbōgenzō in that it consists of relatively straightforward and accessible teachings making more limited use of the allusion word play and metaphor that characterize the essays that comprise Shōbōgenzō Record of Things Heard can be read as a highly practical manual of Buddhist practice essentially a primer of S t Zen Dogen's words express fundamental aspects of Buddhist practice in terms that are both concrete and straightforward in Japanese society in the thirteenth century Among the many topics covered Dogen especially emphasizes the following points seeing impermanence departing from the ego centered self being free from greed giving up self attachment following the guidance of a true teacher and the practice of zazen specifically shikantaza or just sitting Record of Things Heard is a bilingual edition with extensive notes which help to provide the reader with a new way of approaching the text As bonus material this edition also includes translations and commentary of Dogen's luminously evocative waka poetry formerly published under the title White Snow on Bright Leaves The book also includes a selection of Dogen's waka poetry with commentary

Dōgen's texts Ralf Müller, George Wrisley, 2023-12-07 This book addresses the question of how to properly handle Dogen's texts a core issue that became critical during the Meiji period in which the philosophical appropriation of Dogen became apparent inside and outside of the monastery In present day Dogen studies most scholarship is informed by a number of factions representing Dogen The chapters herein address the Zennist jōzenjōka emphasizing practice the Genzōnians jōgenzōka shifting the attention to the close reading of Dogen's texts the laity movement opening up both the texts and the practice to people in modern society and the Genzō researchers jōgenzōkenkyōka searching for the authenticity and truth of Dogen's writings The book aims to clarify the rightful place of Dogen in the monastery in denominational studies or in modern academic philosophy It brings forth various viewpoints on Dogen and analyzes the relations of these viewpoints from the premodern to modern times The collected volume appeals to students and researchers in the field while establishing hermeneutic standards of reading and proposing new original and critical interpretations of Dogen's texts Chapter From Uji to Being time and Back Translating Dogen into Philosophy is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)

The Path of Aliveness Christian Dillo, 2022-05-17 Find a sense of nourishment and embodied aliveness in every aspect of your life with this fresh and accessible guide to Zen practice Buddhism aims for the development of a flexible mind and skillful responsiveness whether toward problems in one's personal life or broader issues like the ecological crisis But in a culture now saturated with clichés

about mindfulness and unrealistic fantasies about happiness what does it truly mean to walk this path The key practice is that of embodied aliveness In *The Path of Aliveness* Zen and Taoist Qigong teacher Christian Dillo offers a path of meaningful transformation tailored to our times Through potent conceptual work and practical examples he shows how to carefully examine the interrelationship between our senses body energy thoughts and emotions so that we can transform our lives in the direction of less suffering and more freedom wisdom and compassion This secular reconstruction respectfully plumbs Buddhist tradition including classic teachings such as the foundations of mindfulness meditation the four noble truths and the practice of loving kindness while encouraging practitioners to rely on their own embodied experience for maintaining an alive and engaged presence no matter the circumstances

The Dark Side of the Mirror David Brazier, 2019-03-19 This new commentary by Buddhist teacher and author David Brazier draws back the curtain revealing the deeper meaning of the text in language that will be as transparent to the general reader as it is informative to the specialist

Being-Time Shinshu Roberts, 2018-03-20 A tour de force guide to Zen Master Dogen's most subtle and sophisticated philosophical premises that being and time are inseparable Impermanence is time itself being itself yet time and being are not at all as we imagine them to be To really understand and fully embrace this point is to live in a radically different world a world of awakening inclusion and love Zen Master Dogen frames the teaching on impermanence explicitly as a teaching about time and all of Dogen's profoundly poetic teachings flow from his seminal understanding of time as expressed in *Uji Being Time* the famous and famously difficult essay in his masterwork *Shobogenzo* In *Uji* Dogen teaches that time itself being itself is luminous awakening It is all inclusive all elusive ultimately healing and eternal In this book Shinshu Roberts does full justice as does no other book I know of to Dogen's words She offers interpretation of *Uji* only after careful consideration and marshaling of many sources and offers simple everyday examples to illustrate points that seem at first abstruse If this text causes you to doubt your most cherished concepts about your life it will have done its work from the Foreword by Norman Fischer *Being Time* thoroughly explores Dogen's teaching on how we practice as Buddhas by understanding the relationship between being and time as it is and as we perceive it to be Using Dogen's *Shobogenzo Uji The True Dharma Eye Being Time* Shinshu Roberts offers a twofold analysis of this teaching the meaning of the text and practice with the text giving examples how we apply Dogen's complex teaching to our daily lives

The Heart of Dōgen's Shōbōgenzō Dōgen, 2002-01-24 Two of Dogen's most esteemed translators provide key chapters from his Zen masterpiece the *Shobogenzo* in English with annotations to guide the reader
