Retirement in Japan and South Korea Masa Higo, Thomas R. Klassen, 2015-04-10 This book analyses reforms to retirement policies in Japan and South Korea especially in the context of rapid population ageing A defining feature of the labour markets and workplaces in these two nations and the lives of workers and families is involuntary retirement at relatively young ages The book explains past developments and recent reforms of retirement policies both in the two countries as well as in a cross national comparative manner At the core of the book is an examination of the social economic and political conflicts around retirement such as between younger and older workers between employers and governments and between employers and workers The policy recommendations offered apply not only to Japan and South Korea but also to other nations such as China The volume is of value particularly for those interested in labour markets and workplaces population ageing and contemporary East Asia in addition to those studying retirement and pensions Policymakers business leaders worker organizations researchers and students will benefit from the insights about the past present and future of retirement

Emerging Dynamics of Sustainability in Multinational Enterprises John R. McIntyre, Silvester Ivanaj, Vera Ivanaj, Rabi N. Kar, 2016-02-26 Economic development that meets the needs of the global population without jeopardizing the capacity of future generations is a worldwide challenge for multinational enterprises MNEs They are expected to balance their role as global economic actors and environmental stewards in the environment in which they operate Contributors from India Europe and the United States offer new perspectives contrasting US European and emerging economies approaches to sustainability and how they can generate roadmaps which yield innovative solutions for one of the most contentious issues of our era Their review suggests that the differential performance across developed and emerging economies has exposed potential weaknesses Emerging Dynamics of Sustainability in Multinational Enterprises promotes greater emphasis on experimenting with unique local and sustainable approaches to solving problems faced by firms in or from emerging economies This is a critical resource for researchers practitioners and policy makers concerned with sustainable development issues and a fresh reference for graduate level students and academics focusing on corporate governance sustainable development and ethics as well as multinational enterprise management

Understanding Popular Culture and World Politics in the Digital Age Laura J. Shepherd, Caitlin Hamilton, 2016-05-20 The practices of world politics are now scrutinised in a way that is unprecedented with even those previously or conventionally assumed to be disengaged from international affairs being drawn into world politics by social media Interactive websites allow users to follow election results in real time from the other side of the world and online mapping means that the world out there is now available on your mobile phone Understanding Popular Culture and World Politics in the Digital Age engages these themes in contemporary world politics to better understand how digital communication through new media technologies changes our encounters with the world Whether the focus is digital media social networking or user generated content these sites of political activity and

the artefacts they produce have much to tell us about how we engage world politics in the contemporary age This volume represents the starting point of a dialogue about how digital technologies are beginning to impact the research and practice of scholars and practitioners in the field of International Relations with the collection of cutting edge essays dealing specifically with the intertextuality of world politics and digital popular culture This book will be of use to International Relations research academics and critically engaged publics interested in the core themes of global politics subjectivity militarism humanitarianism civil society organisation and governance The book also employs theories and techniques closely associated with other social science disciplines including political theory sociology cultural studies and media studies

Business Battles in the US Energy Sector Christian Downie,2019-01-17 This book is ground breaking in its study of business actors in climate and energy politics While various studies have demonstrated the influence of business actors across multiple policy domains this is the first to examine the behaviour of business actors in energy centric industries in the US that will be vital for achieving a clean energy transition namely the oil gas coal utility and renewable industries Drawing on almost 80 interviews with senior energy executives lobbyists and policymakers it asks two central questions i how and why are business actors shaping energy policy contests in the US And ii what are the implications for policymakers In answering these questions this book provides new insights about the preferences and strategies of business in the energy sector and significantly it identifies strategies for policymakers seeking to regulate energy in the face of political resistance from incumbent fossil fuel industries This book will be of particular value to students scholars and policymakers working in the fields of energy climate and environmental politics as well as individuals generally interested in the role that business exerts over policy processes

Business Studies September Memorandum 2014 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Business Studies September Memorandum 2014 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Business Studies September Memorandum 2014 has opened up a world of possibilities. Downloading Business Studies September Memorandum 2014 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Business Studies September Memorandum 2014 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Business Studies September Memorandum 2014. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Business Studies September Memorandum 2014. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Business Studies September Memorandum 2014, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Business Studies September Memorandum 2014 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
