France Since 1918:

France Since 1918 Herbert Tint, 1980 **France Since 1800** D. L. L. Parry, Pierre Girard (professor of contemporary history.), 2002 In this concise history of France since 1815 David Parry and Pierre Girard examine distinctive features of contemporary France tracing their origins and investigating their continuities and transformations Each chapter focuses on a particular chronological period beginning by setting the scene in terms of political events the narrative then broadens out to consider the wider issues of society economics religion the arts gender relations and France s relationship with Europe and with the rest of the world This clearly written accessible text will appeal to undergraduates studying French history politics and culture as well as the general reader **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada.
