Harris, 2022-05-06 Reflections allow a path to the soul to learn from life lessons I have learned that looking back can be a productive forum for growth Just take notes along the way learn share and grow Life Notes provides a simple yet powerful set of stories grounded in scripture and in faith that walks through the author s faith journey Stories of perseverance stories of love stories of hurt and sorrows Life Notes affirms the many people who touched Bennie s life and gave him the strength to persevere Life Notes is intended to encourage you to pause and take notes along the way Don t miss the daily affirmations given to you by a moment at church or in a song or at work or with your children spouse or partner Bennie recalls reflecting on the maturing of

his youngest son going to college Shortly after that reflection he found himself writing little thoughts and notes It may have been a conversation with my dad or my brother or something I heard from my minister He began sharing those with his wife and children then with his siblings The reflections were encouraging and motivating He later learned that a couple of his sisters were printing them out and then later became a form of encouragement which is the impetus for this book Life Notes
