The Mindful Path to Self-compassion Christopher K. Germer, 2009-04-28 For people who struggle with difficult emotions like anxiety guilt anger loneliness sadness or low self esteem mindfulness practices can be enhanced by adding a simple yet powerful ingredient self compassion Without it we all

too often respond to emotional suffering with self criticism shame or defensiveness tough to break habits that only make suffering worse This wise eloquent and practical book illuminates the nature of self compassion and offers easy to follow scientifically grounded steps for incorporating it into daily life *In Touch* John J. Prendergast,2015-04 Your body has a natural sense of truth We can feel authenticity in ourselves and in others However this innate wisdom is obscured by our conditioning the core limiting beliefs reactive feelings and somatic contractions that fuel our sense of struggle and veil who we really are *In Touch* is a groundbreaking experiential guide to the felt sense of our inner knowing the deep intelligence available through our bodies Each chapter presents moving stories helpful insights from spirituality psychology and science and simple yet potent experiments for integrating the gifts of inner knowing into every aspect of daily life Join pioneering psychotherapist and teacher Dr John J Prendergast to explore The phenomenon of attunement how we accurately sense and resonate with ourselves and others including an introduction to attachment theory mirror neurons and interoception the ability to sense into the interior of your body Felt sensing and the subtle body our ability to have a whole body sense of reality and how the seven major energy centers relate to common psychospiritual issues Shadows as portals how our dark and painful feelings and sensations can point us toward an essential radiance within The art of identifying and undoing our core limiting beliefs The four somatic qualities of inner knowing relaxed groundedness inner alignment open heartedness and spaciousness and how these subtle signals once recognized can guide our choices and help us to navigate life s challenges The fruits of inner knowing the realization of who we are in our depths and the great intimacy with life we can all enjoy As we tune into our deepest nature our body relaxes grounds lines up opens up and lights up writes Prendergast So far this extraordinarily useful subtle feedback has been largely overlooked almost nothing has been written about it We need to both sense and decode these signals if we are to benefit from them These bodily markers are here to be seen and used as guides to enable us to more gracefully navigate life and to awaken They are part of our birthright available to anyone
