

responsibility paragraph

A responsibility is a duty or obligation of a man to do something or not to do something. As the inhabitants of society, we all have some particular responsibilities. We have to show our responsibilities to the family, society, country, and so on.

Our parents have brought us into this world and nourished us. As grateful children, we must take care of our parents in their old age. We should not do anything that pains them. We also have responsibilities to the other members of the family. As students, we should attend school regularly and listen to our teachers. We should also avoid doing anything that may disturb our classmates and teachers. As members of society, we have to show our responsibilities to the people around us.
