

Why Responsive

Course Design for Online Corporate Training

Maybe you are sitting at your **Desk** looking at a **laptop** screen or tapping away on your smartphone or swiping your iPad while commuting to work.

1. Increased Audience Reach:

Every organization demands a cutting-edge learning experience that supports anytime, anywhere learning. Learners might switch from a large desktop monitor to a palm-sized training mobile screen in order to complete their online training. A responsive course design supports multi-device learning.

2. Seamless Content Flow and Navigation:

Responsive design offers optimal viewing experience on different devices. The content automatically flows to fit into the layout of the target environment. It lets learners swipe, slide, pinch or shake the mobile device screen in order to navigate through the course effortlessly.

3. Future-Ready Content

The training team is responsible for getting courses updated to reflect the latest information. If the online training program does not have a responsive design, updating the course content would be difficult. A responsive online learning solution paves the way to future-proof content.

4. Single Point of Distribution

The Learning Management System (LMS) has the task of creating, tracking and distributing online training programs. When you have one version of the training program that works well for multiple devices, distribution of the course becomes easy.
