**Rest Not In Peace** Mel Starr,2013-09-22 Is there reason to suspect evil in this I asked None but that the man was robust one day and a corpse the next Master Hugh surgeon and bailiff has been asked to provide a sleeping potion for Sir Henry Burley a friend and guest of Lord Gilbert at Bampton Castle near Oxford Three days before St John s Day in the year of our Lord 1368 Sir Henry went to his bed hale and hearty after enjoying a long evening music conversation and dancing in Bampton s Castle s hall The next morn his valet found him cole and dead Master Hugh is asked by Lord Gilbert to determine the cause of death despite shrill accusations from Sir Henry s grieving widow **The Abbot's Agreement** Mel

Starr,2014-08-15 Hugh de Singleton is a delight the well crafted plot the excellent period detail and the flashes of humour Donna Fletcher Crow author of The Monastery Murders My life would have been more tranquil in the days after Martinmas had I not seen the crows Whatever it was that the crows had found lay in the dappled shadow of the bare limbs of the oak so I was nearly upon the thing before I recognized what the crows were feasting upon The corpse wore black Master Hugh is making his way towards Oxford when he discovers the young Benedictine a fresh body barefoot not half a mile from the nearby abbey The abbey s novice master confirms the boy s identity John one of three novices But he had gone missing four days previously and his corpse is fresh There has been plague in the area but this was not the cause of death the lad has been stabbed in the back To Hugh s sinking heart the abbot has a commission for him A new and disturbing puzzle for the medieval surgeon turned sleuth **Lucifer's Harvest** Mel Starr,2016-08-19 Another exciting page turner by Mel Starr He

beautifully depicts the counds sights and smells as well as the emotions of the medieval world in this welcome addition to his long running series Jill Dalladay author of The Abbess of Whitby Lord Gilbert Talbot must provide soldiers for Prince Edward s battle in France He wishes his surgeon Hugh de Singleton to travel with the war party to tend any injuries Among those on the road is Sir Simon Trillowe Hugh s old nemesis who had once torched Hugh s house Finding himself in the same war party Hugh resolves to watch his back in the presence of the knight who is still holding a grudge But it is Sir Simon who should not have turned his back When Trillowe s body is found many suspect Hugh has wreaked revenge on his adversary To clear his name Hugh must once again riddle a reason for murder **Without A Trace** Mel Starr,2019-09-20 An engrossing read in

the successful Chronicles of Hugh de Singleton Surgeon series Lady Philippa the wife of Sir Aymer a knight of the realm disappears while travelling from her husband s manor to Bampton She and her maid are travelling in an enclosed wagon whilst her husband and his grooms and a squire are mounted When the party arrives at Bampton Castle neither the lady nor her maid are within the enclosed wagon they have simply vanished As the disappearance may have happened while the travellers were on Lord Gilbert s lands his surgeon and bailiff Hugh de Singleton is assigned to discover what has happened to the lady Has she been taken Her has she fled her husband Can Hugh help find her or is it already too late *Master*

*Wycliffe's Summons* Mel Starr,2021-10-22 Mel Starr has done it again with another brilliant Sir Hugh de Singleton medieval

mystery to keep readers guessing until the very end I was there at the Queen s College dining on pottage getting soaked in the rain in fourteenth century Oxford Mel always draws you into the experience Toni Mount author of the Sebastian Foxley murder mystery series One of Master John Wycliffe s scholars is found dead after a thunderstorm Was he struck by lightning or was there something more sinister to his death Scholar Richard Sabyn a particularly obnoxious fellow was believed to have been struck by lightning However Master Wycliffe believes otherwise and calls upon Sir Hugh de Singleton for help Sir Hugh shares Wycliffe s suspicions and launches a private investigation learning that it might indeed be possible to make it look as though a man has died from a lightning strike But who would go to all that effort and why When fellow scholar Simon Duby dies it raises even more questions and suspicions What is the connection between the two men Sir Hugh believes a bronze pot a bucket of urine and a small quantity of charcoal and brimstone may hold the answer During a bleak 1375 can he survive the insidious plague and several attempts on his life as he continues his quest for truth *Deeds Of Darkness* Mel Starr,2017-08-18 Mel Starr s writing is superb And the stories themselves are captivating Highly recommended Davis Bunn internationally bestselling author To bring justice Master Hugh must foil the corrupt power of great men Many medieval scholars discontinued their university studies before completing their degree Some lacked funds others became bored with a scholar s life Occasionally these young men formed lawless bands robbing and raping and creating chaos They were called goliards In *Deeds of Darkness* Master Hugh learns that the Bampton coroner an old friend has been slain while traveling to Oxford As he seeks the killer or killers he discovers a band of goliards in the area between Oxford and Bampton But how to apprehend these youths They have protectors far above Hugh s station He must deal with the claims of justice on the one hand and the power of great men to protect their henchmen on the other **Prince Edward's Warrant** Mel Starr,2018-08-24 Another delightful and absorbing mystery from Mel Starr keeping the reader guessing as the corpses pile up in Prince Edward s palace Hugh de Singleton of the dry wit and engaging humility is one of my favourite sleuths Penelope Wilcock British author and blogger Master Hugh won the Black Prince s favour when he helped to ease the Prince s illness Now in the autumn of 1372 the prince is suffering a relapse and sends to Bampton for Master Hugh to attend him While at dinner in Kennington Palace Sir Giles the knight who escorted Hugh to London is stricken and dies Poison Sir Giles is not popular and there are many who would gladly see the fellow done away with except for Prince Edward The Black Prince feels a debt to the slain man because of his heroic behaviour at the Battle of Crecy where the knight stood firm with the prince when the fight seemed of uncertain outcome Despite caring little for Sir Giles Master Hugh must once again place himself in jeopardy and seek to uncover the perpetrator of the crime [Suppression and Suspicion](#) Mel Starr,2022-09-23 Edmund Harkins has gone missing Few would confess to liking the man a wife beater and distinctly unsavoury character so when some hungry pigs disinter his corpse in a shallow grave there is hardly an outpouring of grief However this intensifies the problem Sir Hugh faces as bailiff of Bampton it is his duty to discover who has slain Edmund But if he does he will earn the

enmity of villagers who are pleased the scoundrel is dead and who knows what repercussions might follow To further complicate Hugh s life the Bishop of Exeter has sent a new vicar to Bampton his nephew who behaves in an obnoxious manner to Lady Katherine s maid and seems obsessed with discovering any heretical views Hugh might hold The vicar also it transpires is contributing to the unhealthy atmosphere of suppression and suspicion that has come to pervade the village

The Easter Sepulchre Mel Starr,2020-09-18 Sir Hugh is in top form tracking down the wily killer of local clerics while eating his way through a feast of mediaeval dishes A delightful mystery with an authentic historical touch Fiona Veitch Smith author and scriptwriter Time travel from the safety of your armchair with a murderous twist Mel Starr s eagerly awaited new Hugh de Singleton medieval mystery doesn t disappoint his fans Join everyone s favourite physician cum bailiff as he endeavours to solve more dire fourteenth century crimes Toni Mount author of the Sebastian Foxley murder mystery series Keeping watch over the Easter Sepulchre where the Host and crucifix are stored between Good Friday and Easter Sunday is considered a privilege So it is shocking when it is discovered that Odo the priest s clerk has abandoned his post in the middle of the night But as the hours pass and Odo is not found panic rises At first light Bampton s bailiff Hugh de Singleton is roused from his bed It is Hugh that ingeniously finds the clue that leads all to fear for the life of the missing man The question is will Hugh be called to investigate another murder or will he find the man hale and hearty But if the latter where has the blood come from Way of Wicked Mel Starr,2024-09-19 Kendrick Wroe is found dead in the frozen Shill Brook Most suspect he has been poaching Lord Gilbert s fish though Sir Hugh finds reason to believe this may not be so Then one of Kendrick s friends is slain another seems to be in mortal peril and in an apparent attempt to throw Hugh off the scent his comely daughter Bessie is abducted As the town drops all to find her the tension steadily increases a member of a plow team dies in mysterious circumstances Kendrick s surviving friend is forced to flee for safety in Eynsham Abbey and as events seemingly spiral out of control it s all Hugh can do to master his anxiety and uncover the killer Mel Starr s latest novel is a thoroughly enjoyable medieval murder mystery It may be appreciated on its own or as part of the Hugh de Singleton series
