THE ZOO the highly successful TV series is back on our screens once again. Currently screening 7:00PM Sunday nights TV2. ZOO the book reflects this same combination but adds more in the way of detailed information about the various animals and also about the keepers and their philosophies and backgrounds. Instead of following the episodic nature of the TV shows the book groups the stories together under each animal for example all the elephant stories are collected together. This is an informative entertaining and attractive book for families to share. It is well written in a light hearted chatty style by popular writer Colin Hogg. There will also be a strong educational market for this book. *The New York Times Theater Reviews 1997-1998* Times Books, 2014-10-13.
