Be My Baby

The Ronettes, a New York City trio made up of sisters Veronica and Estelle Bennett and a cousin, Nedra Talley, performed in many "Twist" clubs that sprang up in the early sixties. They made it to the famed Peppermint Lounge where they were "discovered" and signed a recording contract. Their recording of this song became one of the best sellers of 1963 in the United States and Europe. Be My Baby had had renewed popularity in the past year, having been included in the soundtrack of the Oscar-nominated movie Dirty Dancing.

Cole Porter: Selected Lyrics Cole Porter,2024-11-12 Cole Porter possessed to a singular degree the art of expressing depth through apparent frivolity The effervescent wit and technical bravura of his songs are matched by their unguarded revelations of feeling In the words of editor Robert Kimball Porter wrote tellingly of the pain and evanescence of emotional relationships He gently mocked propriety and said that few things were simple or lasting or free from ambiguity Of the masters of twentieth century American songwriting Porter was one of the few who wrote both music and lyrics and even in the absence of his melodies his words distill an unmistakable mixture of poignancy and wit that marks him as a genius of light verse Selected from over eight hundred songs here are Porter s finest flights of invention lyrics that are an indelible part of 20th century culture Let s Do It Love for Sale I Get a Kick Out of You Anything Goes In the Still of the Night I Concentrate on You and dozens more About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics

Blues & Gospel Records, 1890-1943 Robert M. W. Dixon,John Godrich,Howard Rye,1997 Since its first edition in 1964
Dixon and Godrich s Blues and Gospel Records has been dubbed the bible for collectors of pre war African American music It
provides an exhaustive listing of all recordings made up to the end of 1943 in a distinctively African American musical style
excluding those customarily classed as jazz which are the subject of separate discographies The book covers recordings made
for the commercial market whether issued at the time or not and also recordings made for the Library of Congress Archive of
Folk Song and similar bodies about 20 000 titles in all by more than 3 000 artists For each recording session full details are
given of artist credit accompaniment place and date of recording titles issuing company and catalogue numbers matrix
numbers and alternate takes There are also short accounts of the major race labels which recorded blues and gospel material
and a complete list of field trips to the south by travelling recording units Howard Rye has joined the original compilers for
this thoroughly revised fourth edition The scope has been enlarged by the addition of about 150 new artists in addition to
newly discovered recordings by other artists Early cylinder recordings of gospel music from the 1890s are also included for
the first time Previous editions of this work were applauded for their completeness accuracy and reliability This has now
been enhanced by the addition of new information from record labels and from record company files and by listening to a
wide selection of titles and detailed cross checking **The Christian Union** Henry Ward Beecher,1892 Christian
