

# CHAPTER 1 GENERAL INFORMATION

## ENGINE IDENTIFICATION

Tecumseh engine model, specification, and serial numbers or date of manufacture (D.O.M.) are stamped into the blower housing, or located on a decal on the engine in locations as illustrated (diag. 1 & 2). The engine identification decal also provides the applicable warranty code and oil recommendations (diag. 2).

### Interpretation of Model Number

The letter designations in a model number indicate the basic type of engine.

- OHH - Overhead Valve Horizontal
- OHM - Overhead Valve Horizontal Medium Frame
- OHSK - Overhead Valve Horizontal Snow King
- OVM - Overhead Valve Vertical Medium Frame
- OVRM - Overhead Valve Vertical Rotary Mower
- OVL - Overhead Valve Vertical Medium Frame Extra Life
- OHV - Overhead Valve Vertical

The number designations following the letters indicate the basic engine model.

The number following the model number is the specification number. The last three numbers of the specification number indicate a variation to the basic engine specification.

The serial number or D.O.M. indicates the production date of the engine.

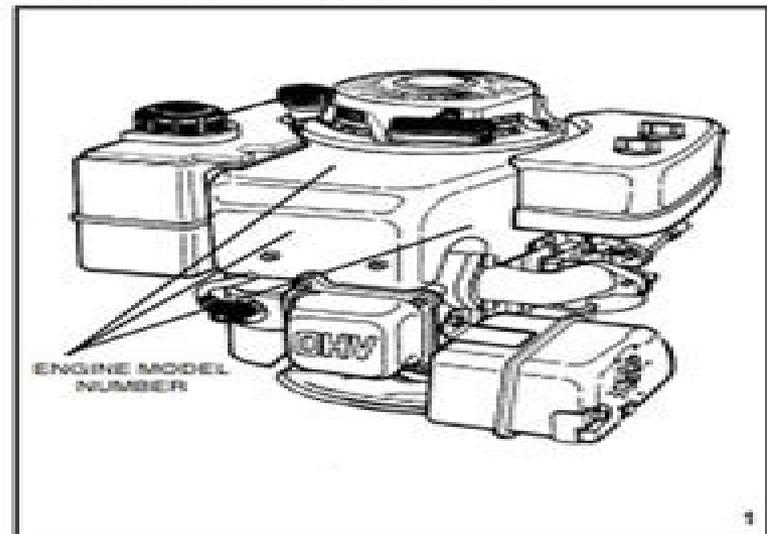

Using model **OHV16-204207A**, serial **5215C** as an example, interpretation is as follows:

**OHV16-204207A** is the model and specification number.

- |                |  |
|----------------|--|
| <b>OHV</b>     | Overhead Valve Vertical  |
| <b>16</b>      | Indicates the basic engine model.  |
| <b>204207A</b> | is the specification number used for properly identifying the parts of the engine. |
| <b>5215C</b>   | is the serial number or D.O.M. (Date of Manufacture)                               |
| <b>5</b>       | is the last digit in the year of manufacture (1995).                               |
| <b>215</b>     | indicates the calendar day of that year (215th day or August 3, 1995).             |
| <b>C</b>       | represents the line and shift on which the engine was built at the factory.        |

Emissionized engines that meet the California Air Resource Board (C.A.R.B.) or the Environmental Protection Agency (E.P.A.) standards will include additional required engine information on the engine decal.

**NOTE:** To maintain best possible emission performance, use only Genuine Tecumseh Parts.
