The objective of our California Smarter Balanced Test Prep Grade 4 math book is to provide students, educators, and parents with practice materials focused on the core skills needed to help students succeed on the SBAC Grade 4 Math Assessments in 2017-18. A student will fare better on a test when s/he has practiced and mastered the skills measured by the assessment. A student also excels when s/he is familiar with the format and structure of the test. This book helps students do both. Students can use this 4th Grade workbook for the State assessments to review key material and practice with standard-tethered skill-building exercises. They can also take math practice tests that reflect the rigor and format of the Grade 4 Math SBAC. Students will become accustomed to how the content of the test is presented, which will enhance their test-taking skills. By SBAC testing day, students will feel confident and adequately prepared to do their best on this challenging mathematics exam.

CCSS Math Grade 3 California Test Practice Grade 3. In California, the Smarter Balanced SBAC summative assessments are administered as part of the California Assessment of Student Performance and Progress (CAASPP) System. This system is based on the Common Core State Standards (CCSS) for English language arts/literacy (ELA) and mathematics. In California, the SBAC assessments are given in grades three through eight and eleven for ELA and mathematics. The grade 3 SBAC math test determines if students have mastered third-grade Common Core mathematics standards and makes sure that they are getting ready for fourth grade.

What You Get When You Purchase this SBAC Practice Book Grade 3 California Two SBAC Practice Tests Grade 4. Our math practice tests are based on the official assessments and include similar question types, e.g., selected response, constructed response, and non-traditional response items, and the same rigorous content found on the SBAC tests. Practice with Technology-Enhanced Items (TEIs) in a paper-based format. By using this Smarter Balanced workbook, students become familiar with item types, response formats, and the SBAC tests for 4th grade.

Performance Tasks (PTs). 2 PTs provide targeted practice and preparation for students in this challenging aspect of the Smarter Balanced assessment. Answer keys that contain detailed explanations to help students not make the same mistake twice. If a student is having difficulty in one area, encourage the student to improve in that area by practicing the specific set of skills in the relevant worksheet.
