NDF Journal, 1998 **The Handbook of African Defence and Armed Forces** Evert Kleynhans, Marco Wyss, 2025-03-01 The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations **Namibia Constitution and Citizenship Law Handbook - Strategic Information and Regulations** IBP, Inc, 2013-04-04 Namibia Constitution and Citizenship Laws Handbook Strategic Information and Basic Laws **Constitution of Namibia** Government of Namibia, 2022-08-10 The Constitution of Namibia a seminal document adopted on March 21 1990 serves as a beacon of democratic governance and human rights in a region marked by colonialism and socio political upheaval This legal text is not merely a collection of laws but a profound narrative reflecting Namibia s commitment to establishing a constitutional democracy promoting equality and safeguarding the dignity of all citizens Consciously written in a style that balances legal precision with accessible language it incorporates the principles of international law while addressing the unique context of Namibian history culture and aspirations for peace and unity The Government of Namibia as the author of this constitution represents the collective aspirations of a nation transitioning from decades of oppression to self determination Drawing on influences from various international legal instruments and the lessons of its historical struggles the constitution also symbolizes the hard fought journey toward nationhood and reconciliation among its diverse peoples The contributions of key figures from Namibia s liberation

NDF Journal ,2010 **South African Human Resource Management** Ben Swanepoel,2003 South African Human Resource Management focuses on the knowledge and skills that managers at all levels need The authors integrate contemporary international research and implementation with a South African perspective *Towards a Common Defence and Security Policy in the Southern African Development Community* Hussein Solomon,2004 From a historical post apartheid perspective this book argues that apartheid destabilisation in the Southern African sub region resulted in a particular form of regionalisation which favoured state security over human security stressed solidarity and regarded external intervention as inimical to its own interests It argues that this stance was fundamentally anti democratic and that its legacy haunts the organs SADC and the SADC Organ on Politics Defence and Security as the premier vehicles for security cooperation in the region The book argues that a further legacy of apartheid destabilisation was to foster national sovereignties at the expense of a collective regional identity the present challenge being for SADC to decide how best to move to considerations of regional security It then addresses issues such as the need to develop a common military doctrine command training and control The book is divided into three parts The first provides historical background to the current developments outlining the challenges facing the region s policymakers and citizens The second part focuses on the nuts and bolts of defence cooperation among the SADC states The final part addresses the SADC Organ on Politics Defence and Security its institutional problems and outlines possible mechanisms for correcting them The contributors are mostly connected with the Africa Institute of South Africa and the University of Pretoria **SADC Gender Protocol 2017 Barometer** Morna, Colleen Lowe,Makamure, Lucia,2017-10-04 The SADC Protocol on Gender and Development is the only sub regional instrument in the world that brings together global and continental commitments to gender equality in one instrument used to enhance

accountability The Southern African Gender Protocol Alliance is a network of country and regional NGOs that campaigned for the Protocol its updating implementation and tracking Originally aligned to the Millennium Development Goals that expired in 2015 SADC Gender Ministers updated the Protocol and aligned it to the Sustainable development Goals SDGs Beijing Plus Twenty and the Africa Agenda 2063 in 2016 In July 2017 the Ministers adopted a Monitoring Evaluation and Reporting Framework MERF that will be the basis of future reporting Now in its ninth edition the 2017 Barometer is the first assessment of the Post 2015 SADC Gender Protocol Moving with the times the Alliance has expanded the two key main yardsticks in the Barometer the SADC Gender and Development Index SGDI and the Citizen Score Card CSC The Barometer incorporates many MERF and SDG indicators as well as its own unique measures of voice choice and control The Barometer also introduces the Gender Responsive Assessment of Constitutions and Laws conducted by Alliance experts and networks around the region A wealth of data insights and analysis awaits all readers of the Barometer that will also be made available online and in multi media formats The SADC we want is one in which citizens engage step it up for gender equality and make sure we achieve Planet 50 50 by 2030
