*Owners of Learning* Jennifer Hays, 2016 This book describes the Nyae Nyae Village Schools an innovative and unique mother tongue education initiative set in north eastern Namibia Inspired by the optimism of Independence the project was designed in close consultation with the Ju hoansi community in the early 1990s Drawing upon their traditional knowledge transmission strategies and initiated in a supportive political environment the project exemplified best practice During the following two decades the Village Schools have transitioned from a donor supported project to government schools and have received much attention and support from donors civil society organisations researchers and others However the students still do not seem to succeed in the mainstream schools Why is this Based on long term field work in the region including interviews with Nyae Nyae residents over several years and work with involved organisations the book addresses this question Contextualising the Village Schools within post Independence Namibia southern African history and the global indigenous rights movement it examines the enormous paradoxes that schooling presents for the Nyae Nyae community Owners of Learning is the English translation of the Ju hoansi word for teacher and it serves to highlight a fundamental question to whom does education belong      ProLISSA 2004 ,2004      **Road to Solo Driving** ,2000      Namibia Self-Drive Guide ,2024-03-27      **Guide for Learners** ,2010      *Namibia Self-Drive Guide* ,2013-11-01      The Complete Learn-to-drive Handbook for Australia & New Zealand Kerry O'Sullivan, 1988      Driving Maggie H. stage four in all aspects of the driving test syllabus that you can claim you are ready for test And you need to be able to demonstrate that you can do this consistently Using the Learner Driver s Logbook you can use the charts to mark off and monitor your progress Included with each competence area are helpful tips and reminders and Highway Code references This will give you a handy guide to help you decide whether or not you have reached your goal in each area There are also pages where you can write down your lesson appointment times as well as the date and time of your driving test The Learner Driver s Logbook will help you take a structured approach to your driving lessons and enable you to track your progress as you prepare to take your driving test This is one of the Driving Test Series which includes The Highway Code Theory Test Questions for Cars Teaching a Learner Driver A guide for amateur instructors The Learner Driver s Logbook Lesson plan progress record The Driving Test How to Pass An examiner s guide to the L test [www.ukdrivingskills.co.uk](http://www.ukdrivingskills.co.uk)
