Brook,2016-01-18 *Conjugal Rites* explores the legal shape of marriage as it has been determined by countless decisions concerning entry and exit into the ancient rite Heather Brook examines the countless rules and protocols governing marriage that make it valid in the eyes of the law She argues that the various sexual performatives associated with marriage can establish reinforce or rupture conjugal unity while exploring the historical and political regulations and prohibitions marriage has faced Brook unites past and present public and private to investigate the changing meanings and effects of conjugality and challenge the way we think about sex gender and relationships **Discovering Your Sexual/Spiritual Power** Sue Mize,2001 *Dear Reader Discovering Your Sexual Spiritual Power* is a self help book or as I like to think of it a treasure map It is also a novella The novella takes you into the private and passionate world of colleagues Lilith Swan and Grant Davis as they engage in an unadulterated extra marital affair Lilith discovers her sexual spiritual power through this affair and she will guide you in discovering yours The treasure map or self help part of the book takes you into your own private world of self discovery Self discovery is like having an affair with yourself and having an affair with yourself is like going on an odyssey an adventure to mysterious and exotic lands where you hunt for treasures This book is your treasure map and the exercises at the end of each chapter serve as X s marking the spots where your treasures are to be found Finding your treasure you will return from your odyssey to discover that your home is a place of new and endless possibilities I wish you courage on your journey Sue Mize Author Judi Emm,2005-08-01 Olivia is a young girl from a working class family background she comes from a small countryside village nestled away along with other villages in the Hope Valley area of Derbyshire in England The story follows the events through her life over two decades Beginning in 1967 as she is brought by an ambulance to a hospital in Manchester England when she is losing an aborted baby and she endures an inhumane and horrific experience at the hands of a sadistic doctor Olivia s life then begins to moves forward when she joins a happy Hippy

Movement crowd before entering into a controversial marriage to a man many years her senior Then a short time later she experiences with her husband a very traumatic car accident where at the hospital the attending doctor s prognosis predicting that her life will soon be coming to an end But her body soul and willpower insist on fighting for her survival A few years later she enters into a second doomed marriage And in the following years that pass Olivia s life seems to turn into a big ROLLER COASTER RIDE Now always filled with sex drugs and rock roll as she clings to this wild and crazy hedonistic lifestyle for her own emotional security Until many years later when taking an overall view and stock of her life which now seems to becoming so totally out of her control she finally decides that it s time for her to jump off all of these fast fun filled rides which are taking her to nowhere So after much soul searching about what she does now really want in her life she decides that it is time for a reconciliation with her second husband Alex They decide to go to start a fresh new life when they go to live together in North America leaving all of her past behind her in England So now finally at last Olivia begins to enjoy the much needed love of her husband and family which deep down she had been craving for most of her life Suddenly from somewhere one night out of the blue in the year of 1987 a deep dark hidden force in her life returns turning twenty long lost hidden years into a FULL CIRCLE Motivating her now to visit the world down under in Australia forcing her to now confront and deal with her dark secret hidden past which tragically ends with sad dramatic consequences WHO IS OLIVIA The writer has portrayed in this woman s fiction novel a person that is as far removed from anything in Hollywood as possible She s just an ordinary girl who could be living next door to you or anyone else in the North of England The life of Olivia has been portrayed and written in colourful vivid imaginary and detailed true to life form so that the readers can visualise Olivia as a real true to life person that they could possibly identify with in part While at times understanding and feeling that some of the things that happened in her life could also have possibly happened in their own But no matter what trauma hardship heartache or crisis arrives in Olivia s life she not only challenges it grows from it and flourishes she is also very determined to survive it all whatever life throws her way And the readers will soon realize that no matter how tough Olivia s going gets she will never give up even when she feels that her world is crashing as it begins to crumble down all around her she will keep on striving until she perseveres Yes Olivia is a true survivor and will always manage to keep on swimming until she reaches and gets herself across to the other side of the shore So come on you ladies And make yourselves very comfortable for this controversially absorbing story about the reality of a woman who could be you or one of your friends As Olivia dares u all to take this positively exciting and emotionally charged ROLLER COASTER RIDE with her hoping you can hang on until the end as you deal with what her life has in store as it turns into a FULL CIRCLE
