

I would love to know all the terrible things you would want to do to me

Well I think I would have you walk through the door, then push you up against it and pin your hands above your head as I kiss you

Use my hands to feel all over your body and take off your clothes. Then put you on your knees and put my cock in your mouth while I grab your hair

Then take you to my bedroom and eat your pussy. Gently using my teeth and sucking on your clit while I use my fingers

Yes please pin me down and have your way with me

I would love to show you how good I can make you feel while I shove your cock down my throat cupping your balls and playing with your taint
