

The book cover features a detailed illustration of a geological landscape. The foreground shows a dark, layered rock formation with a cracked, polygonal pattern. The middle ground is dominated by a large, rounded rock formation with distinct horizontal sedimentary layers, illuminated from the side to show its three-dimensional shape. The background consists of rolling hills and a valley, all rendered in a warm, golden-brown color palette. The overall scene is a classic example of physical geology, showing the effects of erosion and sedimentation.
