Semester 1 2023

Practical Class Notes - Practical 3: The senses

This practical class consists of two components

- a hands-on laboratory session and
- a virtual simulation session

Use of virtual simulations

This practical class illustrates well why simulations are a critical part of the teaching of physiology in parallel with the use of direct experimentation where necessary.

The simulations will allow you to record “data” to explore and understand aspects of the physiological system or theory that could not be easily replicated in class (e.g., the effects of loud sounds on hearing; the effects of
