is usually viewed as quite distinct from Surrealism a movement which the artist himself displayed some hostility towards
However Rauschenberg had a very positive reception among Surrealists particularly across the period 1959 69 In the face of
Rauschenberg s avowals of his own literalism and insistence on his art as facts this book gathers generous evidence of the
poetic metaphorical allusive associative and connotative dimensions of the artist s oeuvre as identified by Surrealists and
thus extrapolates new readings from Rauschenberg s key works on that basis By viewing Rauschenberg s art against the
expansion of the cultural influence of the United States in Europe in the period after the Second World War and the
increasingly politicized activities of the Surrealists in the era of the Algerian War of Independence 1954 62 Robert
Rauschenberg and Surrealism shows how poetic inference of the artist s work was turned towards political interpretation By
analysing Rauschenberg s art in the context of Surrealism and drawing from it new interpretations and perspectives this
volume simultaneously situates the Surrealist movement in 1960s American art criticism and history *The Living Age*
