Propaganda A Question And Answer Approach:

Propaganda Henry T. Conserva,2009 This book was written in response to the wishes of several readers of my book Propaganda Techniques who wanted to have me probe somewhat deeper into the subject of propaganda After some discussions with teachers and students I used some of their ideas to come up with ten questions This gave me the title of this book Propaganda A Question and Answer Approach Having developed a list of question I went about the task of trying to answer them as best as I could My hope is that the book will be useful to teachers students persuasive writers and advertisers as well as general readers

Narrative Theory and Therapy in the Post-Truth Era Yılmaz, Recep,Koç, Bozkurt,2022-05-20 Narrative theory goes back to Plato It is an approach that tries to understand the abstract mechanism behind the story This theory has evolved throughout the years and has been adopted by numerous domains and disciplines Narrative therapy is one of many fields of narrative that emerged in the 1990s and has turned into a rich research field that feeds many disciplines today Further study on the benefits opportunities and challenges of narrative therapy is vital to understand how it can be utilized to support society Narrative Theory and Therapy in the Post Truth Era focuses on the structure of the narrative and the possibilities it offers for therapy as well as the post modern sources of spiritual conflict and how to benefit from the possibilities of the narrative while healing them Covering topics such as psychotherapy cognitive narratology art therapy and narrative structures this reference work is ideal for therapists psychologists communications specialists academicians researchers practitioners scholars instructors and students

Maintaining International Relations Through Digital Public Diplomacy Policies and Discourses Elita?, Türker,2022-11-04 Communication technologies have become an important tool for instantaneous effects and reactions both individually and collectively The fact that traditional discourses become digital by transferring them through tools heralded a new understanding of digital in individual and social networks The tendency to use these features offered by communication technologies in international relations rather than just individual use has emerged as a result of being built over digital in their discourse on diplomacy However the concepts of transparency and public offering which do not exist in classical democracy clearly show themselves in digital public diplomacy *Maintaining International Relations Through Digital Public Diplomacy Policies and Discourses* reveals the tendencies of countries institutions and their representatives to use communication technologies as a diplomatic tool in international relations practices It reveals the difference between the discourses built on digital media and classical

diplomacy Covering topics such as crisis management new media platforms and international relations this premier reference source is an excellent resource for government officials diplomats social media managers communications professionals students and faculty of higher education libraries researchers and academicians *Intercollegian* ,1927
