*Instruction Manual: Training Manual for Prophets*. Adam Becker, 2019-12-15. This is a Christian prophetic training manual that covers prophetic ministry and dream interpretation and many more subjects. This is hands down the best Christian book on doing prophetic ministry and training to be a prophet that there is. It is a must-read if you're called to walk in the prophetic. It contains so much more than other prophetic ministry books and is a how-to guide. Don't let this one pass you by. This is from Elisha Serves Ministries. Guide for Prophets. Mining from years on the frontlines of prophetic ministry and overseeing the internationally renowned Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling, and controversial topics today: the office of prophet. In this definitive guide, Kris offers often-neglected foundational teaching and provides critical advanced training, including how to discern your calling and grow in your gift, define your divinely appointed sphere of influence and depth of authority, recognize the six different types of prophets, and how to deal with false ones, navigate potential relational difficulties as you step into your gifting, understand the complex ways God communicates, prepare for the common but dangerous spiritual attacks prophets face. Vallotton offers a balanced view of not only what modern-day prophets are but also what they are not. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. The New Testament of Jesus Christ is a message of faith, hope, and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach, and model these Good News Prophets. Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth. Dr. James Goll, founder, Encounters Network, Prayer Storm, and GET eSchool. My friend Kris Vallotton has masterfully crafted this treatise, *School of the Prophets*, on the dynamics and framework of building a prophetic community in the 21st century.
