The Lewiston Shootings Robert Conlin,2024-07-30 Never again would anyone say It will never happen here Because it did October 25 2023 was just an ordinary night in Lewiston a small working class city of 37 000 in central Maine Friends and families had gathered to do what they loved to do with the people they wanted to be with at a bowling alley called Just in Time Recreation Center and Schemengees a popular sports bar and restaurant They felt immune from the violent crime that seemed to wrack the rest of the country in a state that the FBI had just named the safest in America Then Robert Card II a deeply paranoid Army Reserve soldier walked into both places with a high powered rifle and opened fire killing 18 people and wounding 13 more He then fled to a third location where according to the evidence and the testimony of his best friend he likely planned to lay in wait and kill his ex co workers when they came to work the next morning The tragedy is that the numerous red flags he had raised in the months before weren t enough to stop him before he carried out his terrible plan A combination of watered down gun control laws and law enforcement and military negligence made sure of that In **THE LEWISTON SHOOTINGS An All American Tragedy** author and award winning journalist Robert Conlin traces the shootings that deeply scarred a community that thought it was the last place on earth where a mass shooting would take place
