

Note:

The questions in this examination test the knowledge, skills, and professional values demonstrated in this course. Marks are given for reasoned and persuasive arguments, and for clarity and impact of presentation. You must provide practical illustrations for the use of concepts and analytical methods in the circumstances described in each question. Read the specific requirements of each question carefully, and ration your time across all questions.

Question 1

Select the best answer for each of the following unrelated items. Answer each of these items in your examination booklet by giving the number of your choice. For example, if the best answer for item (a) is (1), write (a)(1) in your examination booklet. If more than one answer is given for an item, that item will not be marked. Incorrect answers will be marked as zero. Marks will not be awarded for explanations.
