days immediately following 9 11 Joseph Stowell attended a special Chicago Prayer Breakfast He was encouraged to learn  
there was much interest in God and spirituality among the attendees He was troubled however by the subtle implication  
common among the speakers that day that Jesus with His exclusive claims was unwelcome That given the broad diversity of  
religions in America we now need to give up the traditions that divide those of us who believe in God Stowell left the  
breakfast even more determined to preach the centrality of Christ in the church *Proclaiming Jesus* is a collection of essays

ideological programs presented in key texts in light of evolving patterns of public and private worship she also considers the  
processes of transmission by which complex doctrinal debates were packaged for cultivating an everyday piety in a confusing  
age of inflammatory politicized religion It is in the most prosaic challenges of daily realities that the deepest opportunities lie  
for experiencing the divine Intersecting issues of piety rhetoric and the devotional life of the home this book brings to life
